

CLIMATE

VMD 2.6 DISPLAY

The VMD 2.6 features a refined, intuitively designed touchscreen interface with clear, easy-to-navigate menus. Its 2.4" LCD delivers vivid color and excellent clarity for quick, accurate climate control. The display now supports connectivity with the Dometic Service App, enabling technicians to access the system, apply updates, and streamline commissioning and service tasks.

HIGH RESOLUTION

BRIGHT, CRISP DISPLAY FOR
CLEAR, EASY VIEWING.

RESPONSIVE

FAST TOUCH RESPONSE FOR
QUICK, ACCURATE CONTROL.

SERVICE APP

TECHNICIAN ACCESS FOR
UPDATES AND STREAMLINED
SERVICE.

Mobile living made easy.

UNIVERSAL TOUCH SCREEN THERMOSTAT

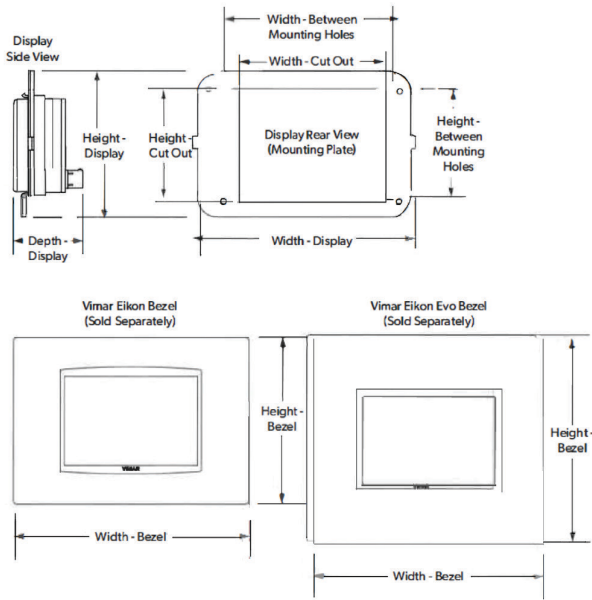

The VMD 2.6 is a clear, easy-to-use touchscreen thermostat with bright graphics and vivid colors. Its updated interface features spacious, well-organized screen layouts that reduce accidental touches and make navigation simple. Menus and setup options are arranged for quick access to all system functions, and the display now supports the Dometic Service App for streamlined updates, commissioning, and service tasks.

Key Benefits

- High-resolution touch display
- Simple, intuitive operation
- Fast, smooth touch response
- Supports remote air and humidity sensors
- Technician connectivity through the Dometic Service App
- Drop-in upgrade for compatible systems
