

970 SERIES PORTABLE TOILETS

Powerful flushing at the touch of a button without constant pumping or batteries sets the Dometic SaniPottie 970 series apart from other portable toilets.

DOMETIC

1.Pressurized Upper Tank
For strong flush pressure, "pump" upper fresh water tank. Pressure lasts 4-5 flushes

2. Instant Flush
Push-button flush releases pressurized water from upper tank to clear bowl instantly

3. Easy To Check Tank
Front-reading prismatic indicator allows easy waste-tank-level monitoring

4. Clean And Comfortable
Fulll-size seat for comfort; latching lid for security
